

SHAMROCKIN' ARMY,

The ShamRockin' committee, along with the CF Foundation, have made the difficult decision to cancel ShamRockin' for a Cure this year. We are heartbroken that we won't be able to join together in March, but believe this is the best decision for the CF community and beyond. We look forward to holding ShamRockin' in March of 2022. We promise to make it bigger and better than ever!

In lieu of supporting ShamRockin', we are asking you to consider going old school with us by **supporting or joining our Baker Boys Battalion team for the CF Foundation's Great Strides Atlanta virtual walk on May 15, 2021**. As you may know, ShamRockin' for a Cure was born from our Great Strides team which started back in 2002. What started as our family's fight for a cure for our boys, Gavin and Jake, quickly grew into a formidable Sham Army. Together, we have made a tremendous difference in the lives of thousands with cystic fibrosis around the country. This pandemic may have taken away our ability to be together in person but we still need a cure for our loved ones with CF! Too many people are counting on us....too many people need us to keep fighting.

We know this ShamRockin' Army can do amazing when we work together.
